Higher and Technical Education,  
Government of Maharashtra.

Subject : Implementation of Internship Embedded Degree Programme from Academic Year 2021-2022.

Reference : This Board's letter No. BOAT WR/AEDP/3779 dated 22/02/2021

Sir,

You must be aware that the Board of Apprenticeship Training (Western Region), Mumbai, is an autonomous body of Ministry of Education, Government of India. Since five decades this Board has been implementing National Apprenticeship Training Scheme (NATS) in the Western Region of India which comprises of the states of Maharashtra, Gujarat, Chhattisgarh, Madhya Pradesh, and Goa as well as Union Territories of Dadra Nagar Haveli, and Diu-Daman. Under the NATS the fresh Graduates, and Diploma holders in the Engineering/Technology, Pharmacy, Architecture, and Hotel Management and Catering Technology, are imparted one year's 'on-the-job' training as Graduate, and Technician apprentices respectively as per the provisions of The Apprentices Act 1961, (as amended in 1973). Similarly, the students of sandwich pattern Degree/Diploma Courses in Engineering/Technology are also covered as Graduate Sandwich, and Technician Sandwich apprentices respectively for the period stipulated in their curriculum. For implementing the NATS, industrial and other establishments are notified by this Board and appropriate seats of apprenticeship training are located therein for 'on-the-job' training of the above said four categories of apprentices.

For enhancing the employability of the students of general streams, the apprenticeship training has now been extended to them through the Apprenticeship/Internship Embedded Degree Programme (A/IEDP). As the Board of Apprenticeship Training has been liaising the industry with the institutes for implementing NATS, the Ministry of Education has given the responsibility to find out the Universities and institutes where A/IEDP programmes can be started from the Academic Year 2021-2022. Our earlier Joint Secretary (Admn.), Shri Madhu Ranjan Kumar had already sent D.O. letters to the Principal Secretary/Chief Secretary of the concerned states with a request to advise the University/institutes under their purview to start the Apprenticeship/Internship Embedded Degree Programmes by getting in touch with Board of Apprenticeship Training (Western Region). Such a letter under reference F.No. 13-7/2017-TSVII dated 02/01/2021 (copy enclosed) was sent to the Additional Chief Secretary, D/o Higher and Technical Education, Government of Maharashtra.

In accordance to the instructions of Ministry of Education, since past few months this Board has been rigorously interacting with the Vice Chancellors of Universities / heads of institutes in the state of Maharashtra and introducing them to the concerned Sector Skill Councils, the details of which are given along with the progress made so far, in the **Annexure** to this letter for your perusal and information.

Date: 8<sup>th</sup> December 2021

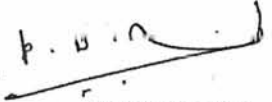

In the meanwhile, Ministry has taken decision to implement Internship Embedded Degree Programme in place of Apprenticeship Embedded Degree Programme.

Considering the Government of India's endeavour to start the Apprenticeship/Internship Embedded Degree Programme from the Academic Year 2021-2022, it is required on the part of the institutes/Universities to exert more in this regard. In view of the above, this Board had requested your good office vide our above referred letter dated 22/02/2021 (copy enclosed) to facilitate the implementation of the Internship Embedded Degree Programme from the Academic year 2021-2022, and this Board is waiting for the response from your good office.

Therefore, we once again request you to kindly do the needful in this matter so as to expedite the implementation of the Internship Embedded Degree Programme in interest of the general stream students from the Academic Year 2021-2022. May we request you to kindly inform us the directives issued by you to the concerned officials so as to enable us to take a further follow up in the matter with them.

Thanking you in anticipation,

नई दिल्ली - 110 115  
GOVERNMENT OF INDIA  
MINISTRY OF EDUCATION  
DEPARTMENT OF HIGHER EDUCATION  
SHASTRI BHAVAN  
NEW DELHI-110 115

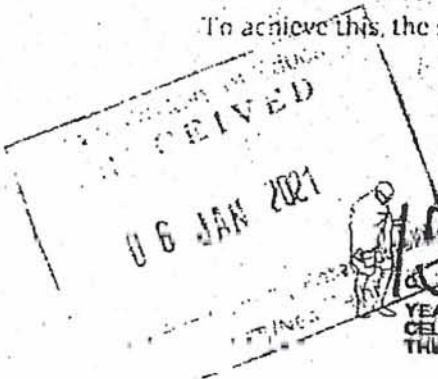

Dated 2<sup>nd</sup> January, 2021

The Department of Higher Education, Ministry of Education implements the National Apprenticeship Training Scheme (NATS) through four regional Boards of Apprenticeship/Practical Training (BOATs/BOPT) located at Kanpur, Kolkata, Mumbai & Chennai. At present, the scheme is available only to B.Tech and diploma holders in engineering. Details of NATS can be seen at the website [www.mhrdnats.gov.in](http://www.mhrdnats.gov.in). Further, keeping in line with the budget announcement 2020 by Union Government, it has now been agreed by University Grants Commission (UGC) that the scope of apprenticeship training can be expanded to include students pursuing non-engineering degree and diploma programmes as well. The objective of such expansion is to facilitate students pursuing general programmes like B.A./B.Sc./B.Com to get practical exposure to commercial world as a part of their course curriculum and improve their employability.

2. The UGC guidelines for Apprenticeship/Internship Embedded degree program is available at [https://www.ugc.ac.in/pdf/news/9105852\\_ugc-guidelines ApprenticeshipInternship.pdf](https://www.ugc.ac.in/pdf/news/9105852_ugc-guidelines_ApprenticeshipInternship.pdf). UGC has also requested Central/State/Private Universities of the country to come forward and take measures to introduce Apprenticeship/Internship embedded degree program in their University for the larger interest of our students (copy attached).

3. The Boards of Apprenticeship Training play a crucial role in mediating between the Universities and Industry in trying to bridge their mutual interest and help them come together to develop industry/commercial courses for general students pursuing BA/B.Sc/B.Com or diploma level programme. The four BOATs/BOPT together with Sector Skill Councils and other stakeholders are already working on it. They have also been asked to find out the preparedness of colleges & universities for implementing these degree programs from the academic year 2021-22.

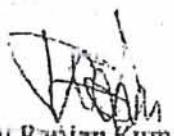

4. You will appreciate that employment is one of the main thrust area of the government. To achieve this, the students who opt general programmes like B.A./B.Sc./B.Com in respective

College/University need to be encouraged to take admission in Apprenticeship/Internship Embedded degree program so as to improve their employability. Through this letter, you are requested to kindly exhort the state universities to give full attention to developing apprenticeship/internship embedded course by getting in touch with The Boards of Apprenticeship Training. The contact details of four Boards are attached herewith.

With warm regards

Yours sincerely,

  
(Madhu Ranjan Kumar)

To,

Shri Rajiv Jalota,  
Additional Chief Secretary,  
D/o Higher & Technical Education  
Government of Maharashtra,  
Mumbai.
