Sub: Workshop on preparation of Strategic Institute Development Plan.

The higher education institutions will undergo a major paradigm change in the next 20 years to implement the provisions of the National Education Policy 2020. The academic leaders at different levels at the governance level, heads of the institutions, deans, heads of the department, educational programmes heads and team leaders will play a significant role in implementing innovations, reforms and a major changes in the institute to achieve quality, accreditation, and excellence in education.

The NEP 2020 clearly states that all higher education institutions (HEIs) will prepare a strategic institute development plan in order to effectively implement the provisions of NEP 2020 and achieve the vision of the institute. The UGC has issued draft guidelines for preparing the institute development plan.

As you are aware that NITTTR, Bhopal has core strength in guiding institutions to do visioning exercises and prepare a strategic institute development plan. In previous years NITTTR, Bhopal has guided NITs, state engineering colleges and self-financed institutions to prepare the strategic institute development plan. NITTTR, Bhopal conducted a series of workshops for the technical institutions under CIILP project. A three-day workshop is proposed to be organized for 30 to 50 officials and senior faculty members of your institute to prepare the strategic institute development plan in line with the requirements of the NEP 2020.

The proposed workshop will cover topic like:

1. Salient features of NEP 2020
2. UGC Guidelines for preparing strategic institute development plan
3. Concept and purpose of strategic institute development plan
4. SWOT Analysis
5. Process of crafting vision, mission and goals
6. Issue and value analysis
7. Process of developing institute development plan
