Department of Telecommunications

No. DO-2023/MBI LSA/ IMC 2023/

DATED 11.10.2023

Dear Prof. Chaudhuri ji,

The Department of Telecommunication (DoT) in association with the Cellular Operators Association of India (COAI) is organizing the seventh edition of India mobile Congress (IMC), 2023 from 27th to 29th October 2023, at Pragati Maidan, New Delhi.

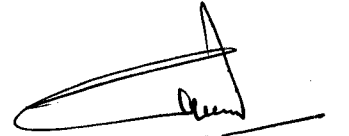

The IMC 2023 is expected to be inaugurated by the Hon'ble Prime minister of India and attract over 350 global speakers, 400 exhibitors, 1000 media personnel and 100,000 visitors. The theme of IMC 2023 is "Global Digital Innovation" and exemplifies India's role as a global hub for digital and technological leadership, particularly in 5G ,6G broadcasting, Satellite, and semiconductor and manufacturing.

IMC 2023 serves as a key forum for unprecedented next wave of digital innovation, and will feature a diverse range of round tables, keynote addresses, and discussions spanning three days. In order to foster connections, ignite collaborations, and propel entrepreneurship among start-ups, IMC, 2023 will be witnessed with the launch of Aspire Pavilion with 1000 cutting-edge startups showcasing their state-of-the-art digital, tech, and media solutions.

Further, to ensure spreading of information on domestic technologies capabilities amongst students across the country, it is requested that top engineering/ technology institutes of the country may be directed to participate with 2-3 faculty/ 20-25 students from each in IMC,2023. Further, the expenses of accommodation, traveling, food and logistics will be borne by the institutions themselves. The badges along with lunch passes will be provided on receiving confirmation.

In this context DDG (Admin), along with Director (A) of Mumbai LSA, met you to get nomination of faculty and students from top engineering colleges. So far we have received nominations from only two colleges (Pune and Jalgaon). Since the inauguration of IMC 2023 is to be held on 27th October,2023 and the time left is very less, you are requested to kindly intervene in the matter and get the nominations of more colleges for the said IMC event at the earliest.

Warm Regards,

(C.K. Shukla)

To,

Professor Subhashish Chaudhuri Ji

Director, IIT Bombay.

Bharti Enterprises

Mr. Kumar Manglam Birla
Chairman,
Aditya Birla Group

INDIA MOBILE CONGRESS

The India Mobile Congress, co-hosted by the Department of Telecommunications (DoT) and the Cellular Operators Association of India (COAI), is scheduled to be held on 27th to 29th of October 2023, Bharat Mandapam, New Delhi. A nexus of telecom, technology, and media, the IMC has firmly planted its roots as a pioneering platform and stands as Asia's premier digital technology gathering. Since its inception, IMC has been an ideal meeting point for industry leaders, government officials, academics, and other key stakeholders in the tech ecosystem. It's a forum where thought-provoking discussions, demonstrations, and showcases of the latest technological advancements unfold.

IMC 2023 is all set to stage Asia's largest tech exposition, conference, and demonstrations, boasting intellectual contributions from industry leaders worldwide. The global tech fest aims to highlight the latest and greatest in the realm of digital technology.

GLOBAL DIGITAL INNOVATION

Sub Themes

Next-Gen Wireless

- Redefining Connectivity
- Powering Innovation
- Shaping the Future of Communication

Convo Tech

- Pioneering AI
- Advancing Cloud Services
- Unleashing Web 3.0

Tech Forward

- Propelling Semiconductors,
- Embracing Industry 4.0
- Transforming Enterprises
- Securing Tomorrow
- Sustainable Future

Connectivity Solutions

- Network-as-a-Service
- Leverage Satellite Services
- Revolutionize Broadcasting Solutions

Empower Edge

- Drive Inclusion
- Skilling
- FinTech
- Start-ups
- Women in Tech

CONFERENCE FLOW

Day 1

- Inauguration Ceremony
- Round Table with Hon'ble MoC with industry CEO on main theme
- 4 Panel Discussions & keynotes (Security, Skilling, Sustainability, and electronics manufacturing)
- Spectrum Economics & Policy for a Digital Tomorrow (NICF)
- ITU (Specialized agency of UN for telecom) Global Innovation Symposium
- 2nd International Workshop on 6G Standardization
- Leadership Conclave

Day 2

- Round Table with Minister of State (Communications), Additional Secretary (Telecom), and states on rural Telecom and 4G Saturation
- Global Regulatory Roundtable with various regulatory organizations
- 8 Keynotes & Panel discussions (Semiconductors, CTO Conclave, Network Automation, Devices, 5G uses cases, Women In Tech, Generative AI Engagement, SatCom)
- Round Table with DoT, TRAI, MoUD Secretary & states IT Sec on RoW & Digital Infrastructure
- Buyer-Seller-Meet for promoting indigenous products
- ITU (Specialized agency of UN for telecom) Global Innovation Symposium
- 2nd International Workshop on 6G Standardization
- Leadership Keynotes
- IMC Awards for recognizing, Indian IPR, start-ups, innovators, etc.

Day 3

- Round Table: Conclave on Data Protection with Minister of State (MeiTY), Secretary (MeiTY), Secretary (DOT) and Industry Representatives
- Electronics and Telecommunication Manufacturing Industry Conclave with Minister of State (Communications), Secretary (Telecom), Secretary (MeiTY)
- 7 Keynotes & Panel discussions (Enterprise Digital, Open RAN, Broadcast, Digital Inclusion, Industry 4.0, Drone, Network as a Service)
- ITU (Specialized agency of UN for telecom) Global Innovation Symposium
- 2nd International Workshop on 6G Standardization
- Leadership Keynotes
- Valedictory Session
