Dt. 24<sup>th</sup> May 2024

Dear Sir,

Greetings!!!

Pune Construction Engineering Research Foundation (PCERF) stands as an esteemed NGO founded in 1983 by distinguished professionals from the construction sector. PCERF platform comes alive through dynamic workshops, seminars, conferences, and professional development options, each becoming a corner stone for progress. PCERF is the organizer of Western India's one of the biggest International Expo 'Constro'. Constro converges construction machinery, materials, methods, and projects on a grand stage.

Vidyarthi Awards - Since year 2016, PCERF has been organizing a competition for students of Architecture and Civil Engineering, at UG, PG and Diploma levels. All Educational Institutes in Civil Engineering and Architecture, with Under Graduate, Post Graduate and Diploma streams, which also includes Institutes under Open Universities and Deemed Universities, are eligible to participate in this competition. This is the 8<sup>th</sup> year of these awards, which includes Cash prizes, Trophy and Certificates. Award Presentation and Felicitation Function will be held during Constro. M/s. B.G. Shirke Construction Technologies Pvt. Ltd. has been associated with these awards as a sponsor. As of now, 1000 + students from various Institutions have participated in this award.

This award is an initiative to give exposure to the creativity of students, create a platform for interaction with industrialists and network with a cross section of various construction industry professionals. Also some of the selected projects will be assessed for further Research.

Your organization is pioneer in technical education sector. You support could bring about important expansion to Vidyarthi Awards. We request you to kindly promote our Award activities from your platform which will significantly boost exposure to this activity. The recipient of the Vidyarthi Awards would significantly advance in their careers with your assistance.

Looking forward to the lengthy collaboration with your organization.

Thanking you,

(Mr. Narendra Kothari)
