ELECTRICAL CONTRACTORS' ASSOCIATION OF MAHARASHTRA

The Stock Exchange Towers, 1st Basement, Dalal Street, Mumbai-400 001

Ph.: 022-22723668 | 022- 49674755 | Mobile : 8452828430

E-mail : ecamindia1@gmail.com | Web.: www.ecamindia.org

About ECAM

ECAM, Electrical Contractors' Association of Maharashtra is the national level body of Licensed electrical contractors, electrical traders and associates like electrical manufacturers, engineers, consultants and similar service providers in India and was founded in 1925. ECAM has a PAN Maharashtra presence with its headquarters in Mumbai and regional offices in Pune, Nasik, Thane, Kokan, Ahmednagar, Dhule, Jalgaon, Western Maharashtra. Ecam has become a pioneer association of the Electrical sector having more than 5000 active members, encompassing the complete value chain in installation, maintenance, repairs and liaisoning of all electrical requirements. Ecam is considered as the VOICE of the electrical contractor fraternity. Ecam organises trade exhibitions on a regular basis. This will be the fourth edition of Ecamex in Mumbai.

Objectives

- To unite the electrical fraternity and form themselves into a well knit organisation, whose aim is to adopt standards of high business morality and skilled workmanship in pursuance of their activities.
- Advancing Education and research in Electrical Safety and publishing useful results of this research.
- Formulating electrical codes, guides and technical reports and publishing them along with newsletters journals and books on latest Technology.
- Maintaining liaison and technical interaction with national/ international organizations concerned with matters related to the science, technology standardization and art in the electrical sector.
- Co-operation with the Bureau of Indian Standards in their standardization work in the field of electricity.
- Organising exhibitions and trade fairs of electricals and allied industries.

National Affiliations

IEEMA-Indian Electrical and Electronics Manufacturers Association, BIS- Bureau of Indian Standards, IMC-Indian Merchants Chamber, IECT-Indian Electrical Contractor & Trader magazine, ISLE- Indian Society of Lighting engineers. ECAM also has Representation on The Licensing Board, I E & L Department PWD Maharashtra and Malpractice Committee of Maharashtra State.

ECAMEX 2024

The Electrical Contractors' Association of Maharashtra Indian has great pleasure in presenting the ECAMEX 2024 at Bombay Exhibition Center, Goregaon east, Mumbai, India during 27, 28, 29 February 2024.

The 72 billion dollar electrical Industry in India is witnessing a double digit growth in recent years, thanks to the emphasis being given on infrastructure development by the Central and State Governments and the growing awareness of the importance of appropriate fittings in day to day applications. With the increased investments in the Infrastructural sectors, the electrical industry is poised for rapid development. Smart city concepts have thrown open many avenues and electricals play a critical role.

The electrical industry in India is on a globalization drive and is now providing the Indian consumers a variety of electrical products sourced domestically as well as from overseas. In the context of the reduced import duty regime in India, the globalization drive is gaining momentum.

The growing living standards in India are finding expressions in the electrical industry in many ways. The country is in the midst of an unprecedented growth in industrial and infrastructure facilities.

The Ecamex 2024 will publicize the developments taking place in the electrical industry and provide excellent marketing opportunities for all the products and services covered by the industry.

Presents Opportunity

- Largest Congregation of Electrical Industry related products and services.
- Knowledge sharing & Career Advancement through seminars, symposia and conferences.
- Present your products and services to potential buyers / dealers / customers.
- Introduce latest technical know-how in electrical industry, energy efficiency and renewable energy and electrical safety.
- Launch new products in the midst of media, industry professionals.
- Increase brand awareness.
- Locate partners for joint ventures and tie-ups.
- Local to Global Advantage & Explore collaboration opportunities.
- Interact with industry leaders, Distribution companies, Government officials.
- Explore investment opportunities.

ECAMEX 24

FOR ELECTRICAL SAFETY

Products Profile

- Cables and Wires
- Accessories for Wiring
- Electrical Safety Equipments
- Stabilizers & UPS
- Electrical & Electronics appliances
- Cables Jointing kits
- Raw materials & components
- Meters & Relays
- Railway / Metro/ Refineries / Mines
- Street Lighting
- Lighting and Luminaries
- Switch gears & Control gears
- Generators & Motors
- Control Panel Boards
- Intelligent Building systems
- Solar Power Panels
- Flameproof Equipments
- Wiring Devices
- Residential, Commercial, Industrial
- Lighting with non-conventional energy
- Transformers & Capacitors
- Measuring Instruments
- IT and Data Networking
- Conduit Pipes, Casings
- LED Lighting Products
- Capital Goods & Machinery
- Industrial Lightings
- Power Saving Solutions
- Security/ Safety/ Speciality
- Consultancy Services

Visitors Profile

ECAMEX 24 will be mainly Electrical Industry and B2B event. Free Entry for Visitors. The Visitors Profile as below :

- Electrical Contractors & Engineers
- OEM & Manufacturers
- Municipal Corporations
- Electrical Consultants
- Sugar Industries
- MEP Consultants
- TATA Power Officials
- Panel Builders
- Owners & Manufacturers
- Government Departments
- Architects & Interior Designers
- Realtors & Developers
- CREDAI Members
- Industrial Consultants
- MSEDCL Officials
- MCCIA Members
- BEST Officials
- Metro Officials
- Corporate Clients
- Dealer & Distributors
- Builders and Promoters
- Industry End Users
- COSMA Members
- Lighting Consultants
- IE&L Department
- MEDA Members
- Reliance Officials
- PWD Officials
- Residential Customers
- Engg. College Students

Advertising & Publicity

- An effective ad campaign during and prior to the event will be run in different media.
