To,

Joint Director

Technical Education Regional Office

Pune

Dear Sir,

Greetings!!!

Pune Construction Engineering Research Foundation (PCERF) stands as an esteemed NGO founded in 1983 by distinguished professionals from the construction sector.

Vidyarthi Awards - Since 2016, PCERF has been organizing an award for students' projects in architecture and Civil Engineering at Under Graduate (UG) and postgraduates (PG). This year we have added a diploma category to this. Passed out and 7th and 8th semester students are eligible to participate in this Award. This is the 9th year of these awards, which include cash prizes, trophies, and certificates. Award Presentation and Felicitation Function is held during the well-known International Expo CONSTRO. M/s. B.G. Shirke Construction Technologies Pvt. Ltd. has been associated with these awards as a sponsor since inception. As of now, over 1000 + students from various Institutions have participated in this award. This award is an initiative to give exposure to the creativity of students, create a platform for interaction with industrialists, and network with a cross section of various construction industry professionals. Also, selected projects are assessed for further research. This award is an initiative to bridge the gap between industry and academia to benefit the construction sector.

The DTE is a pioneer in technical education. Your endorsement (without any financial liabilities) could help in expansion to the Vidyarthi Awards, and your appreciation will take this award to a higher level. Your assistance in broadcasting details about Vidyarthi Awards through your communication channels, including newsletters, social media and any other relevant platforms would be greatly appreciated. We request you to kindly promote this Award in Engineering Degree, Diploma and Architecture Colleges.

We look forward to our long term collaboration with your organization for this award.

Thanking you,

(Dr. Udaykumar Phatak)
