Words Can Heal or Harm

FREE

Words have immense power.

They can build confidence, mend hearts and spread positivity — or they can tear down, discourage, and leave emotional wounds that last a lifetime. In a world where communication plays such a vital role, it is essential to understand the impact our words have on others.

Mr. Samir Ramesh Pimpalkar

Principal,
Gurukul International School,
Badlapur

This session aims to create awareness on using our speech responsibly to heal, to uplift, and to inspire.
